Six Months Forecaster

As the planets move around the zodiac they make 'aspects' or angles to the planets in your birth chart. In astrology these 'aspects' are called 'transits' and they are detailed in the pages that follow.

Sometimes a planet may aspect another, then appear to move forwards and then backwards for a long period of time recreating the same 'aspect' several times over. This backwards motion is known as 'retrograde' motion.

This forecast can be used as a helpful guide to the next six months. At all times it is for you to choose the best path to follow and develop the most positive parts of your character.

Because of your good sense of fun, enthusiasm and willingness to co-operate and pool resources with others, help, support and new opportunities will come from unexpected sources. Your talents and abilities will be noticed, especially by people in authority. Your own previous generosity is now likely to be returned.

Business deals and financial transactions should now work to your advantage. Contracts and agreements are likely to be negotiated without delays and proceed smoothly through to completion. This could therefore be an extremely profitable time to make major purchases or investments. Cash flow should also, finally, improve.

This could also be an excellent time to plan for the future because no minor details will escape your notice. You may decide to embark on a new field of study, or retrain for a completely different career. In any case, you will probably feel an insatiable need to learn as much as you can.

You may find yourself dealing with the public much more than usual during this time, so be confident, because the outcome could be extremely successful.

Expect some contact from abroad, perhaps from family or friends living overseas. They may even surprise you with a visit or phone call!

Feeling confident

Keep hold of your purse strings because there could be an expensive time ahead! Confidence will be your keyword - you will feel as if you can handle anything. No job will seem too big to tackle. The only problem is that bubbling over with overconfidence could land you in hot water! Don't promise more than you can deliver - and don't spend more than you can afford to.

If entering into financial or business negotiations - then make sure you take professional advice. Someone will have to read the small print!

Also, don't become a 'know-it-all'. A certain element of arrogance could prevent you from listening to the other person's point of view. Be aware of this possibility and keep a level headed balance when voicing opinions.

Another word of warning; be careful not to over-extend or over-commit yourself. No matter how much you think you can handle, you are only human and you will get tired from time to time. Make sure that you allow yourself plenty of time for rest and relaxation.

You will not be in the mood to take life too seriously during this time - so important decisions should be temporarily postponed until you feel more self-assertive and more committed to action rather than daydreams.

Peculiar moods and unpredictable emotions could cause bewilderment, strain and tension. You will now be thrown off balance by unexpected events and changes - and your sense of reality could be dramatically altered. Hidden secrets may now be revealed. Goals, ambitions and future plans may suddenly become confused and irrelevant.

Although you will now be drawn to the mystical and religious side of life, avoid foolhardy psychic and psychological experiments and practices - they will only add to the confusion already in your mind, as will an excess of drugs or alcohol. Also, this isn't a time to put your trust in people you don't know well as you could become the victim of deceit and dishonesty.

Sometimes this is a time of reckoning - a time to come to terms with your life so far and how well you've integrated the physical and mystical side of life. If one has been ignored for the other - then you still have time to make amends and redress the balance.

Dynamic energy

An incredible restless, dynamic, energy will make you crave for personal freedom and independence during this time. Restrictions in your life simply will not be tolerated and you will rebel against anyone who tries to hold you back. People with some kind of authority over you, such as employers, parents or government officials, are now likely to bear the brunt of your rebellious and angry nature. You are now prepared to do battle - and nothing and no one will stand in your way!

If you are usually a very placid person, sensitive to other people's needs more than your own, then don't be tempted to hold all this rebellious anger within you just for the sake of keeping the peace. All this dynamic energy must find an outlet (possibly even through hard physical work) otherwise pent-up emotions could lead to illness.

There is another scenario to the planetary aspects affecting you at the moment. You may find that a close loved one may actually rebel against you - perhaps you haven't been allowing enough personal creative and emotional freedom to certain individuals.

Feeling ambitious, wanting to do everything in a very grand and showy way could be a big problem. Over-confidence and an over-inflated ego could be another problem; so don't take on more than you can handle and don't promise more than you can deliver!
