Introduction to Your Soul Guide

As the planets move through the Heavens in their individual orbits they form angles to the positions the planets occupied at the time of your birth. This report interprets the way these planetary movements effect you as an individual, and explains how they influence your relationships, your attitudes, and your life as a whole. It will also provide guidance as to how you can make the most of your opportunities when they arise, as well as helping you to maximise your strengths, and minimise your weaknesses.

Understanding your report

Your Year or Month Soul Guide analyses the effects of these planetary movements, and indicates **Keyphrases** and **Themes**, as well as **Possible Encounters**.

Repeating waves of influence will appear as repeated interpretations in the report. This is a natural and regular occurrence.

Important

Timing: Planetary influences can be felt for days - or even months - before and after the dates provided, depending on the intensity of the transits. The accuracy of your given birth time will also affect the timing of the interpretations, especially in relation to your Ascendant, Midheaven and Moon. Therefore, if you are unsure of your exact birth time, less attention should be paid to interpretations relating to your Ascendant, Midheaven and Moon as these can be reliable only if the time you give is precise.

Keyphrases: Going With The Flow - Attuned To Spirit - Creativity and Entertainment

This is a fine subtle influence, which you could miss unless you are alive to the unseen, mystical or imaginative elements of life and your personality. Any kind of creative or spiritual pursuit - either active or passive - is well starred under this planetary effect. You are more attuned to subtle and emotional vibrations than usual, and possibly sense that struggling with issues only prolongs or complicates them. An enjoyable time listening or playing music, communing with Nature, or any activity involving the sea, is some of the possibilities right now.

Keyphrases: Experiencing Power: Degeneration or Regeneration

The underlying fact of life that everything is born, evolves, decays, dies and is born again, now enters your consciousness - in some way, great or small. The opportunity to tune into this cycle of birth and rebirth is well worth taking up, because it gives you a glimpse of the fact that you are a vital part of this cycle. As such, you may sense what is profound and powerful in you and your life, or what is wasteful and degenerate - but you will probably have to peer or delve some way beneath surface appearances in order to do so. You may also encounter manipulators of this power - be they benign or malignant. It could well become necessary for you to let go of decadent elements, and strive towards regenerative ones.

Key Phrases: Need To Plan Thinking - Heavy Thoughts - Officialdom

This is when you can or have to get down to some serious thinking or work. Failure to do what needs doing can give rise to depression or pressure from someone or something that has authority over you. Basically your mind now turns to whatever is your responsibility. Whether or not you are alive to what that is and knuckle down to it makes the difference between this being a heavy or efficient time. It is definitely not a time for woolly thinking and escapism, because you could put yourself in line for some kind of bad reaction or payback, now or later on. This is not supposed to be a 'fun' time, so do not frustrate or exhaust yourself trying to make out that it is. It is a time for work and effort, and you will feel far better and lighter as a result of simply doing what has to be done - or what you have been putting off.

Key Phrases: Love And Sex - Romantic Opportunity - Attracting and/or Attracted

You are very much in the mood for sexual and/or romantic experience, or simply to feel socially alive. Depending upon your temperament and availability, such an experience, or at least the opportunity for it, could arise right now, or, it would be a good time to plan for such an occasion, or, failing all of these, it could be a time of frustration if these matters have been put on the backburner.

Then again from out of the blue could come an experience that kind of pleasurable highlights the current state of affairs in your love/sex/social life - even precipitating you into an affair or relationship. All in all though, this has the potential for an enjoyable and exciting time. Key Phrases: Love And Goodwill - Fun And Generosity - Joi De Vivre - Lady Luck

Depending on your usual propensity for good fortune or giving/having a good time, this influence will provide you with a strong sense and/or experience of what is enjoyable about life. Taking in anything that enlivens or entertains is very well starred now - whether you are in an active or passive role. You have a lust for life at present - but watch your pocket or appetite, unless you are quite prepared to say it was worth the price, no matter what.

Any activity that requires you to put out a good or generous vibe is best booked for now. You are luckier than at other times - but bear in mind that gambling can have an agenda all of its own so paradoxically, do not bet on it! It is better by far to see and experience this influence as a gift from the gods - but on the gods' terms. This means to say that there is something good in the air, but do not presume on it being 'good' in precisely the way you think you want it to mean. It is really an opportunity to find out what 'good' actually means.

A time to discover your freedom to be and find out who you really are. You are now sharply made aware of this freedom, whether you think you want it or not! So you could find yourself feeling restless, uncomfortably restricted, or easily agitated by others' expectations of you. You need the space to be yourself. The more that you understand this, then the more free you will feel to do your own thing or start something new, without feeling insecure because of having to break away from the norm. At the other extreme, if you suppress or are totally unaware of your need for freedom, then be ready for a shock that is in aid of waking you up to it - like an accident or someone close to you asserting their need for freedom.

Key Phrases: Love Dreams - Pleasing Fantasies - Artistic Inspiration

The most romantic and ideal, but equally the most fanciful and illusory, experiences can come your way now. You are more inclined to fall in love or lust, or to be made a fool of, for that matter. A more reliable expression or use of this influence is to involve yourself with some creative work, have a special time out with someone you have genuine love feelings for, or simply take in a good movie.

A new relationship can arise under this influence - but remember that 'under the influence' can be all it amounts to unless you have at least one foot on the ground. Platonic involvements are quite likely - or they turn out to be! Be that as it may, this can promise to be a pleasurable, if rather heady, time. All of the above could equally just take place in your head. On a more mundane note, you could find just the item you were after, or thought you were! Very much a 'what's real?' type of time, so do not take anything at face value - be it exciting or depressing.

This period is good for getting down to those tasks that require effort but that are not very exciting. This is because now you are naturally inclined to plod on in an uncomplaining fashion, simply being satisfied in the knowledge that a necessary job is being well done. Keyphrases: Highlighting Personal Drive, Sex Life, Courage and Decisiveness

Mars is symbolic of that force within and around you that make it possible to go for and get something or someone; it also represents the urge and the right to do so. How good or bad or indifferent you are when it comes to expressing your Mars qualities is currently an issue. Being active, independent, forthright or bold now, is a sign that you know what you are after, and how and when to act. Experiencing - either in yourself or another - anger, abusiveness or excessive use of force would be a sign that you need to look at what you yourself are angry about, at what you want, and at what you must do in order to obtain it or so that you no longer want it.
